- ★ 3 AWS Designations

Powering Local Governments with Easy-to-Use Software Solutions

Gov2Biz LocalGov makes running your local government simpler, faster and more efficient.

With a complete hub of products including payments, licensing, inspections, and enforcement, our all-in-one platform is designed to help your local government really kick it up a few notches.

Features

Payment Processing

Integrated payment solution provides a secure platform for:

- ✓ Online payments for bills, taxes, and fines
- ✓ Online and mobile payments
- ✓ Support for checks
- ✓ Robust accounting and reporting

Licensing and Permitting

Simplify the licensing and permitting. From pet permits to health permits:

- ✓ Simple, easy online applications
- ✓ Approvals
- ✓ Payments
- ✓ Renewals & reminders

Inspections

Fast, effective and efficient inspection from the palm of your hand:

- ✓ On-site inspections
- ✓ Fines and penalties
- ✓ Notice of Violations
- ✓ Follow-ups

Taxation

Assess and collect local taxes. Gov2Biz LocalGov enables:

- ✓ Online tax filings and payments
- ✓ Automatic calculations and reminders
- ✓ Comprehensive audit and reporting tools
- ✓ Easy tracking of payments and settlements

Why Gov2Biz LocalGov

City of Kermit

"Working with Gov2Biz has been great for us. They understand Local Government. They worked with us, understood our needs, and gave us software solutions that work for us."

Mike Arismendez
City Manager,
City of Kermit

Lifting Texas, One Local Government at a Time

Texas lives in small towns and cities.

Gov2Biz's LocalGov software solutions enable local governments to streamline operations, reduce costs, and enhance public service. It enables small cities and municipalities to have access to the same cutting edge technology that is available to large cities and counties, helping local governments focus on their core mission—serving the community.

Procurement Vehicles

Gov2Biz is available through various State, Local & National level contracts and resellers. To know more, contact us.
